

Children's Worship Services

We offer a children's worship experience for children in kindergarten through 5th grade each week during the second hour.

Children meet in the sanctuary, sitting with their parents for the first few minutes of the adult service before leaving with Pastor Tina to go to the children's worship service in the trailer outside the northwest door.

Children's worship includes songs, dramas, science experiments, and games — all themed around a Bible story each week.

{2:42} Youth Ministries

{2:42} (grades 6 – 12) meets from 6p – 8p Sunday nights here at the church. The Youth Group's goal in all we do is to build a solid foundation of faith and living based on our commitment to following Jesus.

We hope that as our teens begin their journey with Jesus here they are able to ask questions and to grow together in a way that equips them for living their faith out in their adult lives.
