

November Harvest Offering

The Leadership Team of New Life Christian Fellowship would like to challenge the congregation to consider a special gift in November to help us shore up finances and more importantly to thank God for His continued faithfulness to the families of New Life and to our congregation. Last year the congregation responded beautifully. What a blessing it is to see people rise up and honor God in their thankful giving. Some took this opportunity last year to “catch up” on tithes and offerings that they had intended to give, but had not yet accomplished. Most simply gave a special gift over and above their usual giving as a way to say “Thank You” to God at this special season of the year. If you would like to give to the Harvest Offering, please mark your check or envelope with how much of your offering is your regular giving and how much you want to give to the Harvest Offering. At the end of November we will print the totals in the bulletin. May God continue His rich blessing on you and yours!
